- 2** Sign up to Mileage Warranty program.

Yes, No,

Claim your credit towards a new set of tyres with the Service Booklet and invoices at any Hankook authorised dealer.

Enjoy the superior mileage, traction and safety by using Hankook tyres again.

Credit Calculations

$$\text{Credit} = \frac{70,000 - \text{kilometres travelled}}{70,000} \times \text{Price}$$

In the rare case your iON does not last 70,000km, a pro-rata credit will be provided using the formula above.

This means, if your iON delivers 63,000km, you will receive a discount of 10% (7,000/70,000=10%) on your replacement tyres. If a set of 4 replacement tyres cost \$1,000, We will provide a credit of \$100 towards it.
